## AUTOMATIC CAPSULE MARK 3A

The United Moulders Automatic Capsule Mk3A part number 10012 (R17005) currently has an expiry date of 5 years from date of manufacture.

This will be reduced to 3 years to bring our product in-line with the industry standard.

We will continue to use our current stock with the 5 year expiry date until the stock is depleted.

All new stock ordered from United Moulders will have the 3 year expiry date
