

Survitec Service & Distribution Ltd (Crewsaver)

---

**Servicing / Technical bulletin number: 065**

**Issued to:** Service Network (All Stations)

**Date Issued:** Mar 2021

**Subject:** EXOLOK Cylinder locking system Update

**Issued by:** Guy Page (Technical)

**Exp date:** N/A

---

Further to Service bulletin Number 064

With regards to the new Cylinder retention system called the "EXOLOK"

We have found that some older style jackets/operating systems can not support the fitting of the unit.

These included the following.

**"EXOLOK" will not fit: -**

**Jackets fitted with the older version Crewsaver (UML) heads.**

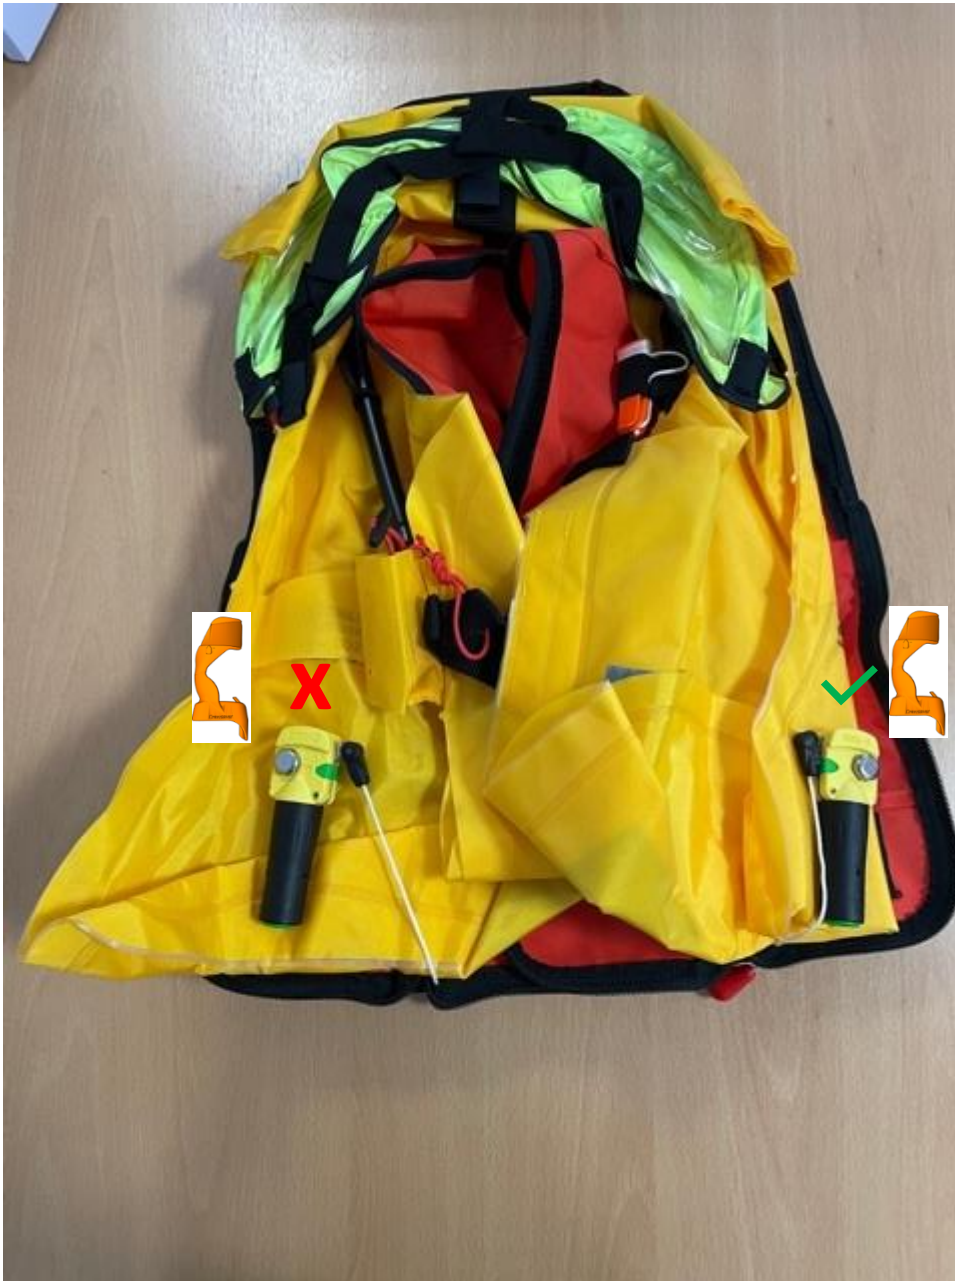

Survitec Service & Distribution Ltd (Crewsaver)

---

## Seacrewsader / Auto twin chambers jackets (including SNSM). (with twin MK5 heads)

Seacrewsader 3D from late 2020 will be fitted with twin elite heads and can support the unit.
