

SSD T/A CREWSAVER SERVICING AND MAINTENANCE BULLETIN No. 44

ISSUED TO: All Service Stations
DATE ISSUED: April 2014
SUBJECT: Lifejacket Lights
ISSUED BY: Scott Sanders
EXP DATE: N/A

Changes from previous issue:

Following a decision by the Group management, the use of the L6 Lifejacket Light will be discontinued. The Crewsaver CSL Lifejacket Light is to be used instead.

Consequently, when servicing lifejackets, any lights that are damaged or have reached their expiry date must be replaced with the CSL Light. The same applies to lights fitted to Immersion Suits.

All the relevant Service Manuals are being amended accordingly.
