

Survitec Service & Distribution Ltd (Crewsaver)

Servicing / Technical bulletin number: 080

Issued to: All Service Network (Approved sites)

Date Issued: Jan 2024

Subject: Webbing retainers for waist belts and crutch strap on Lifejackets.

Issued by: Guy Page (Technical)

Exp date: open

We would like to remind all service sites that all lifejackets are fitted with a least one or two retainers (depending on if they are single or twin adjustment) for the excess webbing on the waist belt/s and the crutch strap/s.

Standard Waist belt retainers

Standard crutch strap retainers

Replacement parts for waist belt webbings

10010	ELASTICATED WAIST BELT RETAINER
-------	---------------------------------
